**Charlotte, N.C.** – The Mecklenburg County Sheriff's Office (MCSO) is thrilled to announce the release of its brand-new smartphone app, designed to enhance community safety and provide the public with quick, easy access to important resources and updates.

Developed by [thesheriffapp.com](http://thesheriffapp.com), a brand of OVC, LLC., a trusted leader in mobile app solutions for public safety organizations, the MCSO app is available for FREE on both the App Store and Google Play. It's an innovative tool that allows Mecklenburg County residents and visitors to stay informed, engaged, and connected with the Sheriff's Office - all at the touch of a button.

The app's user-friendly main menu ensures seamless navigation of its many features, which include:

- **Arrest Search:** Access up-to-date information about arrests in Mecklenburg County.
- **Gun Permits:** Learn about firearm permit requirements and applications.
- **Career Opportunities:** Discover job openings and how to join our team.
- **Community Engagement:** Find ways to get involved and make a difference in our community.
- **Alerts and Emergencies:** Receive real-time notifications about events and emergencies in the area.

Downloading the MCSO app is fast and simple. Scan the QR code below, or search “Mecklenburg Co Sheriffs Office” or “Mecklenburg CSO” in your smartphone’s app store.

“This is just another step forward for MCSO. But it’s also important to provide the public with a platform to communicate with us, to talk with us,” Sheriff McFadden said. “I am eager to see where this app takes us and how we can use it to better serve and protect the citizens of Mecklenburg County.”
